I know this student.  Yes       No  
I feel comfortable being this student's Host.  Yes       No  
I would like to receive mailings about school activities.  Yes       No  
I communicate in English.  Yes       No  
I understand that I am responsible for the wellbeing of the student.  Yes       No

*The Sponsor is the legal guardian for the student while here in the United States. Therefore, they must provide a legal document, provided by the parent, stating that they have permission to care for and provide medical treatment as necessary for the student. They will receive the school mailings, including the calendar and grades. They will be the contact person to give permission for students for school related activities. In essence, they act as the Student's parent while the student is in the United States. Should the student move to another home or another guardian, the person listed on this form will remain responsible until a new form is completed. I agree to this student's Sponsor for the **2019-2020** school year.*
